Inclusion of Villages in Belgaum Municipal Area

428. Sri P. B. NANDIHALI (Uchagaon).—

Will the Minister for Home and Municipal Administration be pleased to state :—

(*a*) whether it is a fact that some villages are included in the Municipal area of Belgaum City ;

(*b*) if so, the names of such villages and the reasons therefor ;

(*c*) whether the facilities of water supply, etc., are provided to the newly included villages ;

(*d*) if not, the steps they propose to take in this behalf ?

A.—Sri B. D. JATTI (Minister for Food and Civil supplies) [On behalf of Sri R. M. Patil (Minister for Home and Municipal Administration)].—

(*a*) Yes.

(*b*) Angol, Vadgaon, Madhavpur and parts of Majgaon, Kangrali Khurd, Kangrali Badruk. These areas have been developing as continuous extensions of the urban area of Belgaum and existence of artificial boundaries of different local authorities in a homogeneous urban area was found inconvenient for the residents of these areas.

(*c*) Not yet.

(*d*) The Chief Engineer has been requested to prepare estimates for extending the Water Supply system to these areas. The Administrator is taking up the extension of other facilities also.

Sri P. B. NANDIHALI.—Is it not a great injustice to merge any area of the villages against the wishes of the areas concerned ? Is it not against the desire of the Government to develop this City ?

Sri B. D. JATTI.—The Penchayats of Vadgaon, Madhavapur and Angol have passed resolutions to include these areas in Belgaum City limits and also other Panchayats like Majgaon, Kangrali Khurd have also conceded to merge some parts. Similarly Kangrali Badruk Panchayat has also passed a resolution to include some parts.

Sri B. B. SAYANAK.—The Water supply to Belgaum City is inadequate. when that is the position, may I know how it is possible to supply water to all these villages that are merged ?

Sri B. D. JATTI.—Instructions will be issued to the Chief Engineer to prepare plans and estimates for drinking water to these villages that are included in the Municipal limits.

Sri B. B. SAYANAK. - My question is when there is not enough water for City itself, how are you going to supply water to these areas ?

Sri B. D. JATTI.—That question will be looked into by the Chief Engineer in-charge of the Water Supply and he will find out the water Supply source.

Sri P. B. NANDIHALI.—Is it not a fact that the Hon'ble Chief Minister has promised the people of Kangrali Khurd to set apart some area for their use in that village from the area which is merged in the City?

Sri B. D. JATTI.—Sir, I have no information about it; I will have to consult the Chief Minister.

Sri B. B. SAYANAK.—[*Marathi*]

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಇದರ ಬಗ್ಗೆ ಯಾವ ಯೋಜನೆಯೂ ಇಲ್ಲ. ಆದರೆ ನಿಮ್ಮ ಬೇಡಿಕೆಗಳು ಏನು ಬಂದಿವೆ ಅವನ್ನೆಲ್ಲಾ ಪೂರೈಸುವುದಕ್ಕೆ ಪ್ರಯತ್ನ ಮಾಡುತ್ತಿದ್ದೇವೆ.

Milk Chilling Plant, Doddaballapur

429. Sri G. RAME GOWDA (Doddaballapur).—

Will the Minister for Labour, Animal Husbandry, Fisheries and Sericulture be pleased to state:—

(*a*) the quantity of milk collected at the Milk Chilling Plant at Doddaballapur;

(*b*) from how many taluks this quantity is collected and transported to the Centre;

(*c*) the maximum distance up to which vans are run for collection;

(*d*) whether milk is available in this taluk alone to the full capacity of the plant;

(*e*) if so, why the supply is restricted;

(*f*) whether the capacity of the chilling plant can be increased suitably;

(*g*) if so, the action taken thereon?

A.—Sri D. DEVARAJ URS (Minister for Labour, Animal Husbandry, Fisheries and Sericulture).—

(*a*) From 1,600 to 11,500 litres per day during 1967–68.

(*b*) Four.

(*c*) 75 Kilometres.

(*d*) No.

(*e*) Does not arise.

(*f*) This depends on the second stage of operation of the Bangalore Dairy and further on the milk potentiality in the Doddaballapur Taluk proper.

(*g*) Does not arise in view of reply (*f*) above.

ಶ್ರೀ ಜಿ. ರಾಮೇಗೌಡ.—ದೊಡ್ಡಬಳ್ಳಾಪುರದ ತಾಲ್ಲೂಕಿನಲ್ಲಿ ಸಾಕಷ್ಟು ಹಾಲಿನ ಉತ್ಪಾದನೆ ಇಲ್ಲ ಎಂದು ಹೇಳಿದ್ದೀರಿ. ಆದರೆ ಈಚೆಗೆ ಇಲ್ಲಿಗೆ ಎಸ್ಪಿಮೆಂಟು ಕಮಿಟಿಯವರು ಬಂದು
